

# Hunter Premium Funding

## Making funding easy...

We are one of the largest, most experienced premium funding companies operating in Australia and New Zealand.

Our team of over 60 skilled industry experts are dedicated to making funding easy for you and your clients.

### Innovative Quote System

EasyFund is our industry-leading online quote and processing system. EasyFund integrates seamlessly with most broker platforms (including WinBeat/CBS and e-Global) to deliver fast and accurate quotes as well as comprehensive reporting.

### Rollover Authorisation

It's now even easier to arrange premium funding year-to-year with our automatic Rollover feature. Apply for funding or renew an existing loan on your client's behalf at the click of a button. Eliminating the need for your clients to reapply each year.

### Online Endorsement Funding

Make an adjustment or add endorsement premiums onto your client's existing loans, without completing multiple funding applications.

### Fast Track Schemes

Our Fast Track Scheme feature uses fixed quote parameters (including flat rate and number of instalments) to make labour intensive scheme quoting a thing of the past. Our Schemes can also be customised with your business colours and logo.

### Comprehensive Reporting

Your brokerage has access to real-time transactional data for your clients via EasyFund's Reports tab. This includes pending and approved quotes, settlements and endorsements. You can confirm outstanding or arrears amounts, client bank and contact details and track your brokerages performance and loan conversion rates.

### Hunter Advantage Program

Hunter Advantage is our exclusive broker loyalty program which rewards profitable, long term business partnerships.\*\*
